

Villa #3

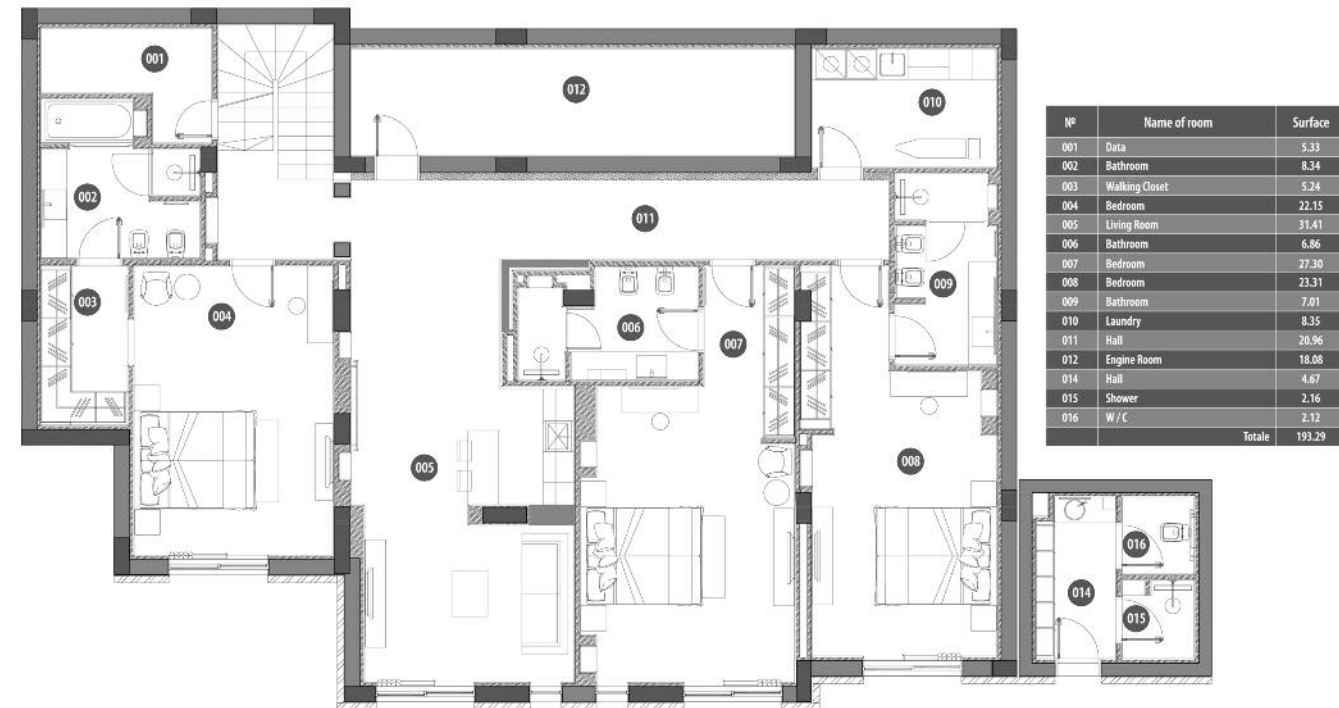

This Villa stands out for its modern lines and extraordinary elegance. Built, according to the highest construction standards and designed to make the most of its location, the property is arranged in a way that every bedroom enjoys a sea view, while doors open on to balconies and terraces, allowing the sun rays to enter the rooms. Offering privacy and luxury in a quiet natural setting, this exquisite five-bedroom villa has a privilege of direct beach access, via a small path. Hidden in a wide, lush Mediterranean garden, the property includes a magnificent pool, a heated Jacuzzi, a covered outdoor dining area, and a private parking. The property also has a spacious one-bedroom guest-house with an independent access.
